

**Mountain Island Charter School
Student Technology Equipment Rental Agreement**

MICS wants to maximize the use of its technology equipment and provide as much flexibility as possible for the use of equipment for official school business and the education of students. School equipment cannot be used for private purposes and is to be used consistent with the MICS Authorized Technology Use Policy. When authorized by school leadership, a student or may borrow equipment for use consistent with this regulation.

1. The borrower agrees to maintain and secure this property in a manner comparable to the maintenance and security provided by MICS, and particularly to secure the equipment against theft. The borrower assumes responsibility for repair and/or replacement costs in circumstances where damage or loss results from inadequate maintenance and/or security. If broken or lost, the full amount of the cost of repair and/or replacement is due from the borrower.
2. The borrower may be asked to present the equipment for inventory or to return the equipment before the loan return date. The borrower agrees to return the equipment to MICS upon request, or by the return date on this agreement, whichever is sooner.
3. This agreement is to be completed before the equipment is issued.
