Exceptions or Potential Exceptions:

Physical education classes: Students must wear athletic clothing and athletic shoes. Athletic clothing must follow all applicable dress code guidelines, except for requirements related to length, color, and brand names/logos. Length of athletic shorts must be appropriate for the physical education learning environment.

Field trips are an extension of the regular school day; all regular dress code guidelines apply, unless designated otherwise.

Game day attire: All student athletes are required to wear professional attire as directed by the athletic department for the entire school day until entry into the locker room to change for the game. Any student not meeting this expectation is rendered ineligible for that day's game.

Spirit days will occur on the last school day of the week, as well as on other designated days. All students are encouraged to wear official MICS spirit shirts or shirts from MICS-approved spirit packs. Elementary and middle school students who purchase a dress down pass may wear traditional denim shorts, skirts/skorts or pants. High school students may wear traditional denim throughout the week.

Spirit week (occurring once or twice a year) descriptions will specify the attire and potential dress code variations permitted each day.

After school and off campus activities: All students participating in after school and off campus activities are subject to all provisions of the handbook, including the dress code above. During after school and off campus activities, the dress code may be enforced at the discretion of school leadership.

Students who violate dress code guidelines will receive consequences in accordance with the discipline plan, including eventual loss of the privilege to participate in all school activities and immediate suspension if they refuse to comply. Also, students will not be permitted to return to class until they are wearing clothes that meet dress code. If they cannot have a change of clothes brought to them, they will be offered a change of clothes and may be charged for this clothing. Administration may interpret and/or make changes to this policy as fashion trends change and unique situations arise.
