

Compacted Math Placement Rubric

Student Name: _____

Rising 6th Graders

Teacher Name: _____

Priority 1 (no need to complete the rubric)

Priority 2

Priority 1: 85th percentile or higher on the 5th grade math EOG or on a nationally normed math achievement test if EOG score is not available. Nationally normed math achievement test must be taken within a year of placement for consideration. To enter the program as a priority 1, **the student's grade average should be A/B.**

Priority 2: Qualification through completion of rubric using multiple criteria. To qualify, students need a **minimum of 11 points out of 14**, and will be placed only if room capacity permits.

	4 pts	3 pts	2 pts	1pt	0 pts	Point Value
5 th Grade Math EOG Level	Level 5	Level 4	Level 3	Level 2	Level 1	
Formal Assessment Grades	100-90	89-80	79-70	69-60	59 and below
