Best Buddies Programs

Everybody needs a friend. But not everybody has one. It can be very hard for people with intellectual and developmental disabilities to make connections on their own. So Best Buddies matches them with a peer volunteer to form a "buddy pair." New friends open up a whole new world of opportunities! And donations from people like you and me make local Best Buddies programs possible. Big, small, somewhere in between - your support will not go unnoticed. Join MICS Best Buddies chapter in giving the gift of friendship - [register](#) to walk with us at the Best Buddies Friendship Walk on April 21, 2018, or make a donation today!
