Dear MICS Families,

Congratulations on another great year! Graduation Admission and Parking Reminders  
Pre-purchased tickets are required for admission for all attendees ages 5 and up. *The ticket gate will open at 6:30PM.* Parking areas for graduation will include the gravel lot, the new parking lot, all other available campus parking spaces, and any curbside parking that does not impede traffic flow. Parking at the field will be reserved for graduation support staff, emergency vehicles and vehicles with a disabled parking placard in the circular lot next to the field. Golf carts will be making runs throughout campus for those who may need additional assistance.

Our school will have a graduation rate of 100% of our seniors for the second year in a row. While test results have begun to come in and the year is shaping up to be the best academic year yet, *EOG and EOC assessments have not been certified by NCDPI. Student scores are not considered official and subject to change until the certification has been completed.* Individual score reports however were sent home today and high school grades are being finalized as final exams continue to be reported by the state. Additionally our school will have a graduation rate of 100% of our seniors for the second year in a row. Congratulations to **Toni Stallings** for being named *2018-19 Teacher of the Year*, for **Stephanie Sudderth** for being named *2017-18 Support Staff member of the year* and **Robert Washington** for being named *2018-19 Coach of the Year*. Have a great and safe summer! School level awards will be announced in next week's addition of the raptor call.
