Academics

Homework Philosophy

The MICS staff believes homework is an important component of the educational process. It is expected the following objectives will be accomplished through regular and well-planned homework:

- Students will develop self-direction and individual responsibility.
- Students will develop independent study skills.
- Students will become better organized.
- Students will learn to budget their time.

The learning process will be expanded through extensions not accomplished in the school setting.

Homework

The total amount of homework assigned to a student should equate to approximately ten minutes per grade level year (i.e. 9th grade = 90 minutes), not including any regular reading time.

Assessment

Assessment is the gathering and analysis of information about student performance. It identifies what students know, understand, can do, and feel at different stages in the learning process. Assessment is integral to all teaching and learning and gives teachers, students, and parents feedback that can be used to revise and analyze their goals, attitudes, skills, and knowledge. Assessment is a four-part process including planning (determining clear measures of outcomes), assessing (to measure outcomes), evaluating (tools), and reporting (documentation).

Reporting and Progress Monitoring

Reporting is a means of giving feedback from assessment. It describes the progress of a child's learning and identifies areas of growth. Progress reports are provided to students who are struggling and/or receiving a grade of D or below. Failure to meet grade level standards may result in program limitations, including but not limited to restriction from extracurricular activities taking place during the school day. Failure to meet grade level standards may also result in program modifications, including student participation in remedial instructional programs both during and outside of the school day. At the first quarter progress report, underperforming students in honors/advanced courses will meet with faculty and/or school leadership to discuss their progress and placement. Formal, detailed report cards are issued at the end of each quarter. Achievement or progress shall be reported as indicated below.

Grading Scale

Defining "expectations" as the progress toward mastery of the standards and objectives set forth by MICS and the North Carolina Standard Course of Study:

- 90-100 A** Consistently Exceeds Expectations at this time
- 80-89 B** Exceeds Expectations at this time
- 70-79 C** Meets Expectations at this time
- 60-69 D** Inconsistently Meets Expectations at this time
- 0-59 F** Does not meet expectations at this time

Grading and GPA Scale

	Unweighted	Honors	CCP/AP
90-100	A 4	4.5	5
80-89	B 3	3.5	4
70-79	C 2	2.5	3
60-69	D 1	1.5	2
0-59	F 0	0	0

Rank is based on the average final marks in all classes, using weighted GPA. Grades are weighted for honors, college transfer (CCP) and Advanced Placement (AP) classes, with honors courses receiving an additional 0.5 quality point and AP and college transfer classes receiving 1.0 additional quality points.

Student Conduct Rating

Reports on the student's conduct are also included in quarters 1, 2 and 3 report cards.

Student conduct is rated using the following scale:

3—Consistently meets grade level expectations

2—Inconsistently meets grade level expectations

1—Does not yet meet grade level expectations

MS/HS Late Work

Homework and Projects:

*In order to be eligible for full credit and gain the most out of their studies, students should submit assignments by the assigned due date. Should a student miss the original deadline due to an excused absence, full credit may be earned given that it is submitted following the teacher's expectations as outlined in their syllabus. Student communication with the teacher is encouraged regarding late work.

Homework/Projects: Work that is to be completed independently will minimally be graded as follows:

- On time: up to 100%
- One Day Late: up to 80%
- Two Days Late: up to 70%
- Three or More Days Late: up to 60%
 - No longer than the end of the quarter

Classwork: Work that is to be finished in class will minimally be graded as follows:

- Completed in class—On time: up to 100%
- Completed after original due date—Up to 60%

MS/HS Make-up Work

Philosophy: Homework, projects, classwork, and assessments are designed to be high quality, meaningful learning activities that target necessary curriculum and areas of growth. To that end, we believe students should complete all assigned work.

Homework and Projects:

In order to be eligible for full credit and gain the most out of their studies, students should submit assignments by the assigned due date. Should a student miss the original deadline due to an excused absence, full credit may be earned given that it is submitted following the teacher's expectations as outlined in their syllabus. Student communication with the teacher is encouraged for any classes missed.

If a student was present or received an unexcused absence, homework and projects will be graded as follows:

- On-time: Up to 100% may be earned
- One Day Late: Up to 80%
- Two Days Late: Up to 70%
- Three or More Days Late: Up to 60%
 - No longer than the end of the quarter

Classwork: Work that is to be finished in class will minimally be graded as follows:

- Completed in Class -- On time: up to 100%
- Completed any day after the original due date -- Up to 60%
 - No longer than the end of the quarter

Intervention:

Teachers, counselors and leadership will offer support for completion of missing work over the course of the school year. Parents are encouraged to discuss with their student the benefit of this support and help promote attendance at tutoring after school as well as at additional SOAR Days as scheduled by school leadership. If your family is encountering extenuating circumstances or would like suggestions on how to support your child while catching up on work, please reach out to your assigned counselor for further guidance.

Academic Honesty and Integrity

In keeping with our school's mission, we desire to create and maintain an ethical academic atmosphere where honest behavior is an expectation for all students. Such behavior must be reflected in all areas of student life, including the completion and submission of all assignments. By holding students accountable for honest behavior in all areas, we will help them grow in integrity and skill as they learn and practice effective and ethical behaviors connected with the use of information and information technology.

Defining Cheating/Plagiarism

Cheating is the act of using any unauthorized means to complete any form of work for a class, an application, an activity, etc. Plagiarism is using and claiming someone else's material without giving credit to that person.

Examples include but are not limited to:

- Copying any portion of another student's answer or work and/or allowing someone to copy one's own answer or work, including working together on an independent assignment and/or copying the work of another person that has already been submitted as that person's own.
- Using and claiming another person's ideas, opinions, theories, words, sentences, paragraphs, or entire work without appropriate acknowledgment of the source, which includes failing to use parenthetical in-text or in-project documentation and/or using documentation that is invalid and/or does not match the Works Cited page.

School Hours, Attendance, & Before/After School Care

School Hours

The Middle/High school day for students is 7:30am-2:30pm. The school office can be reached at 704-827-8840 during the school day.

Remote Learning Attendance Policy

In the event that the school provides remote learning, the School will implement a fully remote technology platform which includes an attendance function, progress reports and alerts for staff, students, and parents. Daily attendance will be taken for ALL students, regardless of their physical or remote presence on campus and this tool will be used to track attendance each day. Each student and parent will be trained on how to check in daily to demonstrate attendance and participation. Absences will also be recorded in this tool and then updated to Powerschool.

Attendance Policy

Attendance is a key factor in student achievement; therefore, students are expected to be present each day that school is in session. Regular attendance by every student is mandatory: the State of North Carolina requires that every child in the State between the ages of seven (or younger if enrolled) and 16 attend school. Parents or legal guardians have the responsibility for ensuring that students attend and remain at school daily. When unexcused, students absent for half or more of the school day will not be permitted to participate in afterschool events on that date. All absences are to be verified by communication to the school office (or school voicemail) from a parent or guardian no later than the morning of the day of the absence, including excused absences.

Absences are excused for the following reasons:

1. Student illness or injury. Students with fever of 100.4°For higher, vomiting and/or diarrhea may not return to school until 24 hours after the symptoms have subsided. Health guidelines may be modified by the school at any time to align with federal, state, or local guidance.
2. Quarantine
3. Death in the immediate family
4. Doctor/dental appointments that *could not be arranged outside of school hours*
5. Pre-authorized absence, including "educational opportunity". Contact your child's school principal at least five days prior to the absence.

6. Religious Holidays not observed by the school calendar
7. Court or administrative proceedings
8. Absence related to deployment activities

In the event of an excused absence, written notification (either via handwritten note or e-mail) must be received by the office **within 5 days** of the student's return to school. School leadership may pre-authorize an excused absence in situations when it is demonstrated that the purpose of an absence is to take advantage of a valid "educational opportunity", such as travel. Approval for such an absence must be granted prior to the absence. Additionally, should a student miss three or more consecutive school days, a doctor's note may be required in order to render the absences excused.

Students are not permitted to leave campus and return to campus during the same school day except in the cases where the absences are excused or with the approval of school leadership.

When students reach **3 days of unexcused absence**, parents will be contacted via a notification letter/email.

When students reach **6 days of unexcused absence**, parents will be contacted via a notification letter/email.

When **10 days** of absence (**either excused or unexcused**) has been reached, parents will be contacted by school personnel to review the student's academic status and factors surrounding the absences and to make recommendations of corrective action as needed.

Should any student reach **20 days** of absence (**either excused or unexcused**) the student and parents will meet with school leadership to discuss the impact to the child's education and to review the potential of retention in grade level and/or course failure.

Tardiness

Students who report to a class after the start time will be counted as tardy. Tardies to school are excused for the reasons listed above for which absences are excused.

Family Death or Terminal Illness

If there is a death, terminal illness, or similar traumatic situation in your family that may affect the student's attendance, emotional well-being, and/or level of concentration, please notify the office and classroom teacher.

Illness During the School Day

When a student becomes ill during the school day, he/she should notify the teacher, and the teacher will send the student to the front office. The office staff will call the parent or guardian or emergency contact for parent pick-up. **Pick up should occur within one hour of notification.**

Early Dismissal

Please check in at the C Building front office when you come to pick up your child. In no case will a student be allowed to leave school with anyone except his/her parent or guardian and emergency contacts unless the school has communication from the student's parent/guardian. To ensure an orderly dismissal process, early dismissals after 2 pm for grades 6–12 are not permitted.

K–8 Before/After School Care

The MICS Before and After School Program is available to families who wish to have their K–8 child(ren) on site at MICS for an extended day; contract and drop-in rates are available for each. Illness and conduct policies in place during the school day will also hold during the Before/After School program. Fee information and applications are on the MICS website.

Before School opens at 7:00 am for students in grades K–5; students in grades 6–8 report directly to 1st period. After School is available for grades K–8 and closes at 6:00 pm. Before school (7:00-8:05) and after school care (2:45-3:15) are complimentary for students whose siblings also attend the school on differing schedules. A charge of \$5 per day up to \$50 per month for before or after care will be assessed for students who make use of this service but do not have siblings enrolled in the school on a differing schedule.

Communication

Effective communication between school and home is vital to the successful academic, social, and emotional well-being of all students. MICS will communicate often and by a variety of means in an effort to keep parents informed of the happenings at school and the growth of the students. The following are samples of methods of communication used by MICS:

Middle School Student Planners

MICS student planners are a required component of each 6th-8th grade student's school materials. These planners assist the student with organization and facilitate communication between the parents and teacher regarding homework assignments, future tests and quizzes, and other relevant academic information.

Online Resources

We use online communication tools that provide information about our school, your child's classroom, and your child's progress. General information is available at www.micharter.org. Appropriate credentials for PowerSchool (online gradebook program – <https://mics.powerschool.com>) required for logging in are provided by the school. Our system is also capable of conducting school-wide communication using Parent Square (<https://www.parentsquare.com>).

Parent/Teacher Conferences

Parent/Teacher Conferences may be scheduled to allow parents and teachers to discuss a child's performance at school. Conferences can be held as needed, before or after school as well as during the school day per teacher availability. After the end of the first quarter, there is one teacher workday that provides opportunities for Parent/Teacher conferences. Additional conferences may be scheduled as needed throughout the remainder of the school year. Parents/Guardians should contact their child's teacher(s) to schedule a conference.

Adverse Weather Communications and Other Closures

The Executive Director determines whether to close or delay school or release students early for any safety concern, primarily when inclement weather is predicted and road conditions are unsafe for travel. The decision to close or delay school, including how long to delay, will be shared in the following ways:

- MICS Website
- MICS Parent Square
- Local News Affiliates (weather-related events only)
- Telephone Notification System
- Front Office Voicemail

If no announcement is made, the school schedule remains as normal.

If inclement weather is predicted after the school day has begun, a decision regarding early release will be made as quickly as possible. In the event school is dismissed for the day, notifications will be announced via the lines of communication listed above.

Please remember to make plans in advance for childcare in the event that weather closes school during the day.

If school is already in session when a severe weather watch or warning is issued, the school will remain open. Staff will take appropriate safety precautions.

School Phones

Students may use school phones to call home with permission. If a student is ill, the school office will contact the parent/guardian. Important messages will be given to students or staff members upon request.

Student Cell Phones and Electronic Devices

Student technology (cell phones, electronic devices, etc.) may be used during the school day only at authorized times or with staff permission. Please refer to related sections in the Discipline Plan including but not limited to sections 2g, 4g and 6c for additional details regarding student technology.

MICS Pathways of Communications

When comments, questions or concerns arise, please use the following chart to understand the appropriate channels of communication.

Grievance Policy for MICS Parents/Students

Purpose: To provide the procedures parents/students will follow when they have an issue at the School that constitute a grievance.

This policy is in place to respond to parent/student or volunteer grievances (referred to as parent/student hereafter). It is expected that any parent/student with an issue will first try to resolve the issue by using open communication with those directly involved (see MICS Pathways of Communication). This means that if a parent or student disagrees with any policy or procedure within the classroom, the **first level** of grievance is with their student's Teacher; likewise, the first level of grievance of an athletic or Parent Teacher Organization (PTO) would be with the coach or PTO committee chair, respectively. If the student/parent is not satisfied with the teacher's response, they will then proceed to the **second level** of grievance by setting a meeting with the grade-level Principal. At that meeting, the teacher, student, grade-level Principal, and parent must be present and the issue at hand will be fully discussed. If the parent or student wishes to pursue the matter further, they will proceed to the **third level** of grievance by setting a meeting with the Executive Director. Similarly, if a parent/student disagrees or has an issue with a policy or procedure at the School, the parent/student will set a meeting with the Director. If the parent/student feels that their issue is still a concern after meeting with the Executive Director and the issue meets the definition of a grievance set forth below, the parent/student may initiate the grievance procedures as described below. Many issues that a parent/student has with the classroom, teacher or School will not rise to the Board level of a grievance and appropriate resolution will be found with the teacher and/or grade-level Principal.

Definition of a grievance: a grievance is defined as a formal written complaint by a parent/student stating that a specific action has violated a School policy, board policy, or law/regulation. A complaint under Title IX is not grievance and this policy does not apply to such complaints. Please refer to the School's Title IX policies and procedures for Title IX matters (www.micharter.org). In addition, this procedure does not apply to complaints that fall under the School's Non-Title IX policies, including bullying and harassment. Please refer to the School's Non-Title IX Discrimination, Harassment, and Bullying complaint process for such matters (Appendix).

Time Limits: a grievance will only be heard if the complaint has been filed within fifteen business days of the meeting with the Executive Director. The fifteen-day deadline may be extended at the discretion of the Executive Director.

The grievance process is as follows:

Step 1: If the parties are not satisfied with the decision of the Executive Director, and the grievance meets the definition set forth above, the parent/student must submit a letter in writing stating the School policy, board

policy, or law/regulation that was violated including details of the actions and the place, date, and time of the violation. The parent/student should make all efforts to include any details about the event that may be helpful in the decision making process. The written letter should be submitted to the Executive Director and to the Chair of the Board of Directors. If the Executive Director is implicated in the grievance, the grievance should only be submitted to the Chair of the Board of Directors.

Step 2: The Board will review the facts and notify the parties in writing (email accepted) if further action is necessary or if further information is needed. The Board reserves the right to appoint a committee to investigate any grievance, to appoint an investigator, or take any other action to investigate the grievance and issue a decision. If the Board considers the matter should be heard, the parties will be called to meet with the Board. After the hearing, any decision of the Board will be communicated to the Director and the parent/student who filed the grievance within five school days. If the board issues a decision without a hearing, the Board will communicate such decision to the Director and the parent/student who filed the grievance within five school days. The Board's decision concerning the grievance is final.

General Guidelines for Visitors and Parent Volunteers

The following are guidelines for visitors while they are in the building:

- All guests must sign in with a valid photo ID at the office upon arrival to the campus. This also applies to student sign-out.
- All guests must wear a name badge. For security purposes, any guest on campus without a name badge will be asked to return to the office to obtain one.
- The distribution of literature or solicitation of any kind is not permitted.
- Prior to leaving the campus, guests must sign out in the office.
- Former students that withdrew from MICS or otherwise no longer attend MICS are not permitted to visit during school hours without prior written approval from the principal. Alumni, however, will be allowed to sign in under normal visitor procedures.

Volunteers

Thank you for your support, volunteerism, and adherence to the following guidelines during classroom visits. You are the key to making our wide array of volunteer opportunities truly beneficial for our teachers and students.

These opportunities include classroom and special event activities, fundraisers, and field trips.

- All MICS volunteers must complete volunteer training and renew each year.
- All MICS volunteers are subject to criminal background checks.
- Volunteers must sign in at the office when entering the building and wear a name badge while volunteering.

Expectations for Adult Visitors While on Campus or Attending School-Sponsored Events (On or Off Campus)

- Visitors may not disrupt or attempt to interfere with the operation of a classroom or any other area of a school.
- Adult visitors must respect and not infringe upon obligations and time constraints of school staff and faculty.
- Information that might help reach our common goal is shared. This includes information about safety issues, academic progress, changes that might impact a student's work, or events in the community that might impact the school.
- Only service animals as defined by ADA.gov (dogs and miniature horses that are individually trained to do work or perform tasks for people with disabilities) are permitted in all areas of campus where members of the general public are allowed.
 - A service animal must be under the control of its handler. In addition to other requirements outlined by the ADA, service animals must be harnessed, leashed, or tethered, unless the individual's disability prevents using these devices or these devices interfere with the service animal's safe, effective performance of tasks. In that case, the individual must maintain control of the animal through voice, signal, or other effective controls.
 - Animals whose sole function is to provide comfort, companionship, or emotional support do not qualify as service animals under the ADA.
 - Any other animals or pets are not permitted on or off campus, unless safely confined inside of a vehicle, without an exception granted by the appropriate school principal or Executive Director. For any scenarios not defined explicitly in this document, MICS will follow the ADA's guidelines on special needs animals found here: https://www.ada.gov/service_animals_2010.htm

Anyone on school property or at a school-sponsored event (on or off campus) may be directed to leave the premises by an administrator or other authorized staff at any time and may have limitations placed on their access to campus or school-sponsored events (on or off campus). Loitering on school property is prohibited.

Disruptive behavior is any action that interferes with or may reasonably be expected to interfere with the normal, orderly operation of the school, including but not limited to:

- Profane, lewd, obscene, abusive and/or slanderous/libelous language, gestures or other written or electronic communication;
- Rude or riotous noise;
- Disorderly or assaultive behavior;
- Vandalism or the defacement of public property;
- Overt or implied threats to the health or safety of others; and
- Any other conduct that violates any applicable law or school policies.

Safety

Safety of the students, staff and visitors at MICS is extremely important. The following are some of the measures that will be in place to secure the MICS campus.

General Safety

1. All MICS employees must pass criminal background checks and drug tests.
2. Volunteers/visitors who may be in any unsupervised position with students will undergo criminal background checks also, or not be allowed to be placed in such roles (eg, coaches, tutors, chaperones).
3. Access to the campus and to our facilities is monitored.
4. All teachers/staff will wear ID badges.
5. All visitors are required to check in at the office at the beginning and end of each visit.
6. Students are not permitted to receive visitors during the school day without prior approval except for parents/guardians.
7. Student drivers are not allowed to sit in their vehicles or linger in campus parking lots during school operating hours. Permission from the office must be obtained to access their vehicles during school operating hours to retrieve forgotten items.
8. For students wishing to bring a guest to a school event (eg, dances or socials), the guest must be pre-approved via the submission of the "Student Guest Approval Form". A new form must be completed for each event.
9. All medications are kept in a locked location in the school office.
10. Emergency supplies, including a first aid kit and other emergency needs, are kept in each classroom.
11. Access is granted to local health and fire department officials for inspection of the premises or operation of the school.

Safety Regulations

1. MICS is in full compliance with all federal, state, and local fire and safety regulations, including but not limited to conducting fire drills, tornado drills, lockdown drills, and other applicable drills.
2. All exits and stairways will be kept clear at all times to facilitate evacuation.
3. All emergency procedures and evacuation plans will be posted in each classroom. All procedures and plans will be consistently evaluated and refined.
4. All combustible and/or potentially harmful materials such as chemicals and cleaning supplies will be properly stored, maintained, and disposed of.
5. Because of our proximity to the McGuire nuclear power plant, proper nuclear emergency procedures are in place.
6. MICS does not condone students leaving campus in third-party car services, specifically, ridesharing services whose own policies explicitly prohibit minors from using them, such as Uber and Lyft. The school will not allow any student to be picked up from school in a third-party car service, such as Uber or Lyft, and will turn away such ride sharing services from the school.

Immunization of Students

MICS will comply with all state and federal immunization requirements. All students will be required to produce a record of current immunizations within thirty days of enrollment. Failure to provide this record will result in suspension until such immunization record is submitted. MICS will provide parents with immunization information as specifically required by the NC Health Department.

Medications

Prescription or over-the-counter medications cannot be dispensed by the school or brought to school without a written medical authorization form signed by a doctor. These forms are available in the school office. Medications must be brought to school in their original container. Students may not have medicine of any form, except inhalers or Epi-pens (provided the authorization for student self-medication form is on file in the office), in their possession or in their lockers on campus. Students must turn in their medications at the office and a designated staff member

will administer medications provided all requirements are met. Administration of non-prescription medications at school is discouraged.

Tobacco Policy

MICS is a tobacco-free school. To this end, the use of any tobacco product, electronic cigarette, vapor pen, or similar device is prohibited on campus or during school events. This applies to anyone on campus, including faculty, parents, staff, and visitors.

General Information

Payment Options

Always include the following on your check: Full Name, Address, Phone Number, and Child's Name/Teacher (Homeroom).

Donations and Donation-Based Fundraisers (eg, Raptor Run, 3D Dress Down Pass): Payments will be processed by MICS SOAR Foundation in order to uphold their responsibility to acknowledge donations for tax purposes. Checks for SOAR- sponsored events should be made out to the **MICS SOAR Foundation** and turned into the school front office.

Outside Programs Approved to Collect Payments (eg, PayPams lunch accounts): Payments should be made directly to these programs. Payments should not be sent to the front office unless directed to do so by an MICS employee.

MICS Fees and Collections

Fee Discounts: Children of employees and those on free and reduced lunch are entitled to 50% off participation fees for extracurricular activities for which they are eligible. These benefits do not stack. Free and reduced lunch fee discounts do not apply to business type activities (eg, before and after school care).

Library Fees: Students with overdue book(s) will have their book borrowing privileges revoked until they return or pay for their book(s). If a student has a book more than 2 weeks past the due date, parents will be notified. After 30 days past the due date, students must pay a **fine of \$7.50** and return the book (no fees are charged until the 30th day). After 60 days past the due date, the book is considered to be lost and parents/guardians will be charged the cost to replace the book in addition to a **fine of \$15**. If books are lost or damaged beyond repair, the student will have to pay the replacement cost of the book as determined by the school.

Late Balances: When outstanding balances are equal to at least one activity participation fee AND are 30 days or more past due, that student will no longer be eligible for participation in fee-based extracurricular activities until their account is in good standing, unless eligibility is granted for extenuating circumstances. Parents/guardians with student balances equal to at least one activity participation fee will be referred to an outside collection agency.

MICS Fundraisers: All school fundraisers benefit MICS and its student community and are all preapproved by school leadership and the Board of Directors before the start of school unless a special circumstance exists. Fundraising activities for personal gain or other charities at MICS are not permitted. Students are encouraged to support charitable causes outside of MICS through service as a part of our core values.

Personal Items

The school will not accept responsibility for the personal items of students, including electronic devices. Any personal items that the school judges to be unsafe or inappropriate for school will be confiscated by school leadership and held in the office until the parent can retrieve them.

Student Lockers

Students may be provided a school locker and lock to secure their belongings per locker availability. For lockers in the C Building, students must use the lock purchased through the school, and the school reserves the right to remove any other type of lock that may be used on a locker. When warranted, the school reserves the right to inspect student lockers.

Breakfast and Lunch

MICS will provide a full breakfast and lunch service in conjunction with the National School Lunch Program. Students may also bring a nutritious lunch from home including a drink. Food delivery directly to students from vendors is not permitted.

Celebrations

In order to provide opportunities for celebrations while also maintaining continuity within the school day, all classroom celebrations must occur during a time deemed appropriate by faculty and/or school leadership. To ensure the safety of all students, parents and guardians may provide commercially prepared food items or prepackaged and washed fruits and vegetables for classroom/building food celebrations. In response to student allergies and health concerns, food/snacks may not be shared in the classroom, in the cafeteria or at other school events unless it is a pre-approved celebration. Ingredient lists must be provided to the teacher/event coordinator.

Extracurricular Clubs

Students in the high school may initiate an extracurricular student club provided that the club supports the general curriculum of the school and that the students have the support of a staff sponsor.

Field Trips

Whenever students are traveling away from school, they are subject to the same expectations and rules observed at MICS. As in the classroom, the teacher will judge acceptable or unacceptable behavior. Every facet of the Discipline Plan will be enforced on field trips just as it is in the classroom. Signed permission slips must be on file for each field trip.

We encourage parents to serve as chaperones. Should the supply for chaperones be greater than the demand of the venue, a lottery will be held. Chaperones are expected to serve in a supervisory capacity and are asked not to bring additional children on the trip. In some cases, additional parents may attend as participants. Parent participants would be responsible for their own transportation and fees. Please check with your child's teacher.

Multi-Day Field Trips

Learning at MICS goes beyond the classroom walls. Beginning in fifth grade these extended extracurricular field trips are designed to integrate and expand our core academic curriculum. These extended studies have as one of their goals to educate in a real environment with hands-on-learning. There are many other kinds of learning and growth in this program which include students developing independence within a nurturing framework, practicing social group living skills, activities that involve development of self and group awareness, and practicing good manners and behavior in new environments. These experiences provide valuable life-learning opportunities and help to bond students and build positive memories.

Enrichment Programs

Fee-based after school enrichment opportunities (music lessons, etc) and summer camps will also be offered by our Enrichment program. Details are posted on the MICS website as these programs are available.

Early Graduation

Graduation before one's class may be permitted on the basis of earning all required academic credits and upon recommendation by the principal. High school students seeking early graduation must declare this intent to the high school counselor prior to course registration for their last year of high school.

Making Progress Towards a High School Diploma

Middle and High School students are considered to meet MICS promotion standards by passing all courses required for promotion to the subsequent grade level. Should a student fail to have a passing grade average for a year-long required course at the conclusion of the first semester, the student will be placed on academic probation for the third quarter. A student on academic probation will be considered as meeting MICS promotion standards for the duration of the third quarter; however, if at the end of the third quarter a student on academic probation does not have a passing overall grade average for any course required for promotion, the student no longer meets promotion standards.

Family Educational Rights and Privacy Act (FERPA) and Individuals with Disabilities Education Act (IDEA)

The Family Educational Rights and Privacy Act (FERPA) (20 U.S.C. p 1232g; 34 CFR part 99) is a Federal Law that protects the privacy of student education records. The law applies to all schools that receive funds under an applicable program of the U.S. Department of Education.

FERPA gives parents certain rights with respect to their children's education records. These rights transfer to the student when he or she reaches the age of 18 or attends a school beyond the high school level. Students to whom the rights have transferred are "eligible students."

1. Parents or eligible students have the right to inspect and review the student's education records maintained by the school. Schools are not required to provide copies of records unless, for reasons such as great distance, it is impossible for parents or eligible students to review the records. Schools may charge a fee for copies.
2. Parents or eligible students have the right to request that a school correct records which they believe to be inaccurate or misleading. If the school decides not to amend the record, the parent or eligible student then has the right to a formal hearing. After the hearing, if the school still decides not to amend the record, the parent or eligible student has the right to place a statement with the record setting forth his or her view about the contested information.
3. Generally, schools must have written permission from the parent or eligible student in order to release any information from a student's education record. However, FERPA allows schools to disclose those records, without consent, to the following parties under the following conditions (34 CFR p 99.31):
 - School officials with legitimate educational interest;
 - Other schools to which a student is transferring;
 - Specified officials for audit or evaluation purposes;
 - Appropriate parties in connection with financial aid to a student;
 - Organizations conducting certain studies on behalf of the school;
 - Accrediting organizations;
 - To comply with a judicial order or lawfully issued subpoena;
 - Appropriate officials in cases of health and safety emergencies, and;
 - State and local authorities, within a juvenile justice system, pursuant to specific State law.

Schools may disclose, without consent, "directory" information such as a student's name, address, telephone number, and date of birth, honors and awards, and dates of attendance. However, schools must tell parents and eligible students about directory information and allow parents and eligible students a reasonable amount of time to request that the school not disclose directory information about them. Schools must notify parents and eligible students annually of their rights under FERPA. The actual means of notification (special letter, inclusion in a PTA bulletin, student handbook, or newspaper article) is left to the discretion of each school.

Americans with Disabilities Act—TITLE II

Mountain Island Charter School does not discriminate against any person on the basis of disability in admission or access to the programs, services, or activities of the school, in the treatment of individuals with disabilities, or any aspect of operations. The school does not discriminate on the basis of disability in its hiring or employment practices. This notice is provided as required by Title II of the Americans With Disabilities Act (ADA) of 1990 and Section 504 of the Rehabilitation Act of 1973. Questions regarding the ADA and Section 504 may be forwarded to the school office.

Bullying

Includes, but is not limited to, a pattern of negative behaviors directed towards a particular student because of one or more distinguishing characteristics of that student, involving a real or perceived power imbalance and having a negative impact on that student's overall educational experience (Refer also to N.C.G.S. 115C-407.15 and N.C.G.S. 14-458.1. If an allegation of bullying is made, procedures outlined in the Non-Title IX Discrimination, Harassment, and Bullying Complaint Process (Appendix) will be followed

Non-Discrimination Policy

With respect to the services provided to our student population and staff, no person shall be discriminated against in any education program, activity, or other related service based on race, color, religion, gender, sex, age, national origin, or disability.

Exceptions or Potential Exceptions:

Physical education classes: Students must wear athletic clothing and athletic shoes. Athletic clothing must follow all applicable dress code guidelines, except for requirements related to length, color, and brand names/logos. Length of athletic shorts must be appropriate for the physical education learning environment.

Field trips are an extension of the regular school day; all regular dress code guidelines apply, unless designated otherwise.

Game day attire: All student athletes are required to wear professional attire as directed by the athletic department for the entire school day until entry into the locker room to change for the game. Any student not meeting this expectation is rendered ineligible for that day's game.

Spirit days will occur on the last school day of the week, as well as on other designated days. All students are encouraged to wear official MICS spirit shirts or shirts from MICS-approved spirit packs. Elementary and middle school students who purchase a dress down pass may wear traditional denim shorts, skirts/skortos or pants. High school students may wear traditional denim throughout the week.

Spirit week (occurring once or twice a year) descriptions will specify the attire and potential dress code variations permitted each day.

After school and off campus activities: All students participating in after school and off campus activities are subject to all provisions of the handbook, including the dress code above. During after school and off campus activities, the dress code may be enforced at the discretion of school leadership.

Students who violate dress code guidelines will receive consequences in accordance with the discipline plan, including eventual loss of the privilege to participate in all school activities and immediate suspension if they refuse to comply. Also, students will not be permitted to return to class until they are wearing clothes that meet dress code. If they cannot have a change of clothes brought to them, they will be offered a change of clothes and may be charged for this clothing if not returned within five school days. Administration may interpret and/or make changes to this policy as fashion trends change and unique situations arise.

Mountain Island Charter School Discipline Plan 2021-2022

Discipline Philosophy

We view discipline as a means of promoting positive character by establishing trust, respect, and productive relationships that help maintain a community of strong communicators, courageous problem solvers, and responsible citizens. In our discipline program, we strive for the full cooperation of all students, parents, teachers and school leadership, where everyone involved supports and embraces the actions necessary to maintain a culture that embodies the MICS Mission Statement & Core Values.

School Leadership Commitment: School leadership will model, promote, and inspire others to support and embrace this philosophy by demonstrating respect for students, parents, teachers, and community members through the way they lead, relate, and communicate, while supporting teachers as they work to fulfill their commitment of establishing a culture of respect.

Teacher Commitment: Teachers will model, promote, and inspire others to support and embrace this philosophy by establishing a respectful environment where each child has a positive relationship with a caring adult, where a student is treated as an individual, and where teachers work collaboratively with all parties involved highlighting the positive in each student and holding them accountable in a fair, productive manner when expectations are not being met.

Student Commitment: Students will model, promote, and inspire others to support and embrace this philosophy by following school-wide and classroom expectations at all times in action and in attitude, addressing and/or reporting behaviors that are unsafe or disrespectful to themselves or others, accepting responsibility for their actions, taking steps to resolve the issue, and when necessary, accepting consequences for failing to meet expectations.

Parent Commitment: Parents will model, promote, and inspire others to support and embrace this philosophy by reinforcing school-wide and classroom expectations at home and by supporting staff members through communication and collaboration, helping to identify, address, and overcome any obstacles in the process.

Other Considerations Regarding the Discipline Plan

-The infractions listed in the **Response Plan for Acts of Misconduct at the School Leadership Level** are not exhaustive, and any related or comparable infraction not specifically listed in the plan will be handled in a similar way as outlined above.

-The consequences in the discipline plan are **recommended responses** and may be adjusted after considering the student and the situation, including the age of the student, the severity of the infraction, the frequency of the infraction, the student's disability, and/or the student's discipline history from the current school year and previous school years. See following page for additional information related to students protected by law under IDEA and in conjunction with NCGS Chapter 115C - Article 27.

Due to scope and impact, infractions that include the use of **social media** or similar methods of **mass communication** will receive an increased consequence.

-If a student is assigned consequences at **Level II or higher** for infractions in **any category**, the school may remove his/her eligibility in any/all after school and extracurricular activities for a period of time.

-Any incidents involving property damage, destruction, or loss may require **financial restitution** by the student.

-In accordance with state law, a school must report the following acts to **law enforcement**: "...assault involving serious personal injury, sexual assault, sexual offense, rape, kidnapping, indecent liberties with a minor, assault involving the use of a weapon, possession of a firearm in violation of the law, possession of a weapon in violation of the law or possession of a controlled substance in violation of the law. NCGS Chapter 115C-288 (g).

-When a student uses reasonable force for the purpose of preserving physical safety, this will be considered **self-defense**. Self-defense is defined as the act by a non-aggressor victim using reasonable force to avoid being hit in order to enable oneself to get free from the attacker and notify school authorities. It is not self-defense to participate in the fight. Students who exceed reasonable force in protecting themselves will be held accountable for their actions, even though another person provoked the fight. School leadership will have the discretion to recognize the need for self-defense on an incident-by-incident basis and to determine appropriateness of consequences, if any.

-A **suspension** refers to a student's rights to attend school or participate in any school-related activity for a specified period of time being temporarily removed. Suspended students are prohibited from attending after school or evening activities on days when they are suspended as well as on non-school days and weekends that occur during the suspension period. Suspended students are not eligible to receive a refund for pre-paid events that occur during their suspension period. They are permitted to return to campus at the beginning of the first school day following the suspension and are eligible to begin attending school-related activities on that day. Dates of suspension are non-negotiable and are assigned to occur as close to the date of the infraction as possible, as determined by school leadership. Suspended students must complete homework and class work assignments in the allotted time frame they are given. Any work not completed in the allotted time frame will be recorded in the teacher grade book as 0's.

-**Disciplinary Reassignment** involves the decision to permanently remove a student from this school due to extreme non-compliance with school expectations/rules. A student that has been reassigned from Mountain Island Charter School is prohibited from participation in future on-campus events and is prohibited from reenrolling in the school. Any student eligible for disciplinary reassignment may also be eligible for exclusion/expulsion as well as due process. NCGS 115C-218.60.

-Students may receive consequences for **an infraction that occurs off *school grounds** if the infraction has or may have a direct and/or immediate impact on the orderly, efficient operation of the school or the safety/well-being of individuals in the school environment.

-**Safe Harbor**: A student on *school grounds who inadvertently possesses or finds an object prohibited by the MICS Discipline Plan shall immediately notify school staff and surrender the object. A student may approach a school staff member and voluntarily surrender the object without being subjected to discipline so long as the object is one that the student could lawfully possess off *school grounds. "Safe Harbor" does not apply to firearms or destructive devices.

-By law, a student may be **suspended for up to 365 days** if he/she brings a firearm or destructive device onto *school grounds.

-In accordance with state law, a school must report the following acts to the **Department of Motor Vehicles**: possession or sale of alcoholic beverages or illegal controlled substances; bringing, possessing or using a weapon or firearm on *school grounds; and physical assault on school staff when such conduct results in a suspension that exceeds 10 days or when the student is assigned to an alternative educational setting.

***School grounds** includes, but is not limited to, the main campus grounds and buildings, bus stops, buses, or vehicles used for school activities and the grounds and buildings of all school-sponsored curricular or extracurricular activities occurring off campus.

Discipline of Students with a Disability

Students identified with a disability under the Individuals with Disabilities Education Act or suspected of having a disability, are bound by the Mountain Island Charter School Discipline Policy. School leadership will follow all federal and state laws and regulations regarding the discipline of students with a disability.

Out of school suspension—the temporary removal of a student from the school setting where services are delivered for any part of the school day. Any time a student is denied access to any part of the educational services, regardless of the time of day, it is counted as one day of out of school suspension. Short-term removal of less than 10 school days is not a change in placement. Depending on the circumstances, cumulative suspensions in the same school year totaling more than ten days could trigger the manifestation determination process.

Long-Term Suspension—a removal from the school setting where services are delivered for any part of the school day for more than 10 school days. If a student with an IEP is recommended for a long-term suspension, a manifestation determination meeting must be held to determine if the behavior was a manifestation of the student's disability.

Manifestation determination—The North Carolina Department of Education requires that the LEA, the parent, and relevant members of the child's IEP team, must meet within 10 school days of any decision to change the placement of a child with a disability. If the committee determines that the behavior was not a manifestation of the student's disability and leads to a long-term suspension for regular education students who exhibit the same behavior, a student with a disability may be given a long-term suspension. Because the student is still entitled to a free and appropriate education under IDEA, Mountain Island Charter School is responsible for providing services so that the student continues to participate in the general education curriculum and to progress toward meeting the goals set out in the student's IEP.

When a student is recommended for suspension for more than 10 days (cumulative or consecutive) and the behavior was NOT a manifestation of the disability, school leadership will follow normal disciplinary procedures.

Exceptions to the above in the event the behavior does meet criteria for manifestation:

The school may remove the student to an interim alternative educational setting (IAES) for up to 45 days without regard to whether the behavior is determined to be a manifestation of the child's disability when:

- (1) The child carries a weapon to or possesses a weapon at school or to a school function (does not include a pocket-knife with a blade less than 2 ½ inches in length), or
- (2) The child knowingly possesses or uses illegal drugs or sells or solicits the sale of controlled substance while at school or a school function (not cigarettes or alcohol), or
- (3) The child has inflicted serious bodily injury (injury that involves substantial risk of death; extreme physical pain, protracted and obvious disfigurement, or protracted loss or impairment of the function of a bodily member, organ, or mental faculty) upon another person while at school or a school function.

An IAES must be selected by the student's IEP team and must enable the student to continue to participate in the general curriculum and to receive the services and modifications in the current IEP so that he or she can make progress toward meeting goals in the IEP. The IAES must address behavior issues and create a transition plan. Placement in an IAES can last for no more than forty-five (45) days (if the IAES is result of removal because of drugs, weapons or serious bodily injury), unless the extension is reviewed and renewed by a hearing officer.

Athletics at MICS

Eligibility

1. Academic

In accordance with the guidelines of the North Carolina High School Athletic Association (NCHSAA), middle and high school students must have passed a minimum load of work during the preceding semester to be eligible at any time during the present semester. The semester is normally considered half of the academic year. All students must also meet local promotion standards, set by the Local Education Agency (LEA) and/or the local school. In the fall semester of 2021-2022 only, any student meeting local promotion standards from the prior semester will meet academic eligibility requirements. Middle and high school students are considered to meet MICS promotion standards by passing all courses required for promotion to the subsequent grade level. Should a student fail to have a passing grade average for a year-long required course at the conclusion of the second quarter, the student will be placed on academic probation for the third quarter. A student on academic probation will be considered as meeting MICS promotion standards for the duration of the third quarter; however, if at the end of the third quarter a student on academic probation does not have a passing overall grade average for any course required for promotion, the student no longer meets promotion standards and therefore is ineligible to participate in athletics.

- a. A minimum load of work is defined as five courses in the traditional school schedule, so students must pass 5 of 6 courses.
- b. Any student, including seniors, must pass that minimum load, even if they need fewer for graduation.

2. Disciplinary

- a. School-assigned consequences for disciplinary infractions must be served as assigned, even if this causes a student to miss an athletic event.
- b. Athletes who are suspended from school for 3 days of accrued suspensions during the school year or who have been suspended for a single aggressive/violent incident will no longer meet eligibility requirements and will be rendered ineligible for participation in athletics. Upon reaching 3 days of accrued suspensions or upon a single aggressive/violent incident, a student may be placed on a disciplinary probationary period, at the conclusion of which athletic eligibility may be restored provided that the student has not committed additional suspendable disciplinary infractions during the probationary period. The duration of the probationary period is determined by the school principal. Should a student that has regained eligibility after the conclusion of a probationary period incur any additional suspension during the remainder of the school year, he/she will lose eligibility for the remainder of the school year.
- c. A student athlete that commits an infraction at or comparable to level 9 or level 10 of the MICS Discipline Plan may lose athletic eligibility up to and including the duration of his/her enrollment at MICS.
- d. School administration maintains the right to suspend or remove an athlete from the team if necessary. Athletes suspended from school may be ineligible to participate in MICS sports for the entire year.

Try Out/Cut Policy

All sports will have limited and fixed rosters. All students must complete a tryout in order to be eligible for a position on a team. Tryouts are competitive and are assessed utilizing a skill-based rubric.

Levels of Competition

Middle school teams may only consist of students in 6th to 8th grades. Middle school football is limited to only 7th and 8th grade students by NC policy.

Physicals and Liability Waivers

All athletes must have a completed liability waiver/Parent Consent/Physical on file with the Athletic Director/Athletic Trainer at MICS before they practice. The physical is valid for 395 days and must be current until

the end of a specific sport season. Students may NOT participate in athletic activities without an updated/current physical exam and liability waiver, including summer workouts. Pre-Participation Form (Physical Examination Form)

Participating in Two or More Sports

Middle and high school students are eligible to participate in multiple sports in the same season. See the Athletic Director to develop a multi-sport plan.

Expectations of Student Athletes

1. Student athletes will follow practice and competition schedules per coaching staff.
2. All student athletes are required to wear professional attire on game days as directed by the athletic department for the entire school day until entry into the locker room to change for the game. Any student not meeting this expectation is rendered ineligible for that day's game.
3. In the case of unexcused absences, athletes must be present for at least three periods of the school day in order to participate in a sporting event (practice or game) that afternoon/evening.
4. Student athletes must leave campus and return if practice or game times are not immediately after school. Exceptions are staying on campus for monitored study halls or scheduled/monitored team pre-game activities.
5. For team-level infractions, consequences will be adjudicated by the coach, up to and including potential loss of playing time.
6. Conducting student-led team meetings to discuss non-athletic issues regarding individual students is prohibited.

Expectations of Parents/Guardians of Student Athletes

1. Ensure that student athletes have on-time transportation to and from all practices and games. Although bus transportation may be provided, that transportation may only be one-way. Bus drivers should not be expected to stay late for students to be dropped off or picked up.
2. Follow chain of communication guidelines set forth in the Parent/Student Handbook (eg, student/parent, coach, Athletic Director), schedule communication away from game times, and adhere to any closed practice guidelines.
3. Volunteer for sideline, admission, or concession needs at games. The amount of times a parent/guardian is expected to volunteer depends on team size and volunteer needs, but will always allow several games for parents to simply be spectators/fans. Student participation in extracurricular activities is not possible without parent/guardian assistance.
4. Follow expectations for all visitors attending school-sponsored events on or off campus (see page 9)

Dressing/Locker Rooms

Only IN-SEASON teams are allowed to use the Athletic Lockers. Athletic department staff will supervise their dressing facilities. Custodians are expected to clean dressing rooms daily, but are not expected to pick-up equipment and clothing left nor trash not in receptacles left behind by athletes. Students are not permitted to wear cleats inside the buildings or walk across the gym floor. Athletes are encouraged to secure all valuables. The athletic department will not be responsible for lost or stolen personal belongings. To protect student safety, phones/cameras are never to be used in locker rooms.

Athletic Training

The athletic department will provide a certified Athletic Trainer to provide training regarding student safety and well-being, to deliver care as needed by athletes, and to assist in determining a child's readiness for athletic activity. Athletes are offered a wide variety of services (prevention and treatment) to help meet the demands of athletic competition.

Trainers may work with coaches, parents, or outside physicians to determine whether injuries should limit or delay student activity in practices or games.

MICS follows the guidelines in the Gfeller-Waller Concussion Awareness act regarding concussion protocol.

The following are guidelines to follow when using the athletic training room:

1. Do not enter without an athletic trainer, coach, or athletic training student aid.
2. Only athletes being treated are allowed in the athletic training room.

3. Do not attempt to treat yourself.
4. Wear appropriate clothing to and from the athletic training room.
5. Do not use or remove any supplies without permission.

Meals

The athletic department will not provide funds to purchase pre-game meals, post-game meals, or overnight accommodations unless covered by the NCHSAA or prior approval is granted from the Athletic Director and principal. Team parents can be organized to help with pre-game meals for the season. In the event that team meals are facilitated by parents, the families of any participating student will be expected to contribute.

Transportation

A valid Volunteer Driver Pledge Card, clear background check, and copies of driver's license and valid insurance card are needed in order to drive student athletes to games. Players are permitted to ride home with their parents provided the coach is informed by the player and/or parent. Parents must give permission for their child to ride with other parents. Students are only permitted to drive other students when the driver is legally licensed and both sets of parents/guardians have provided permission to the coaching staff of this agreed upon arrangement.

Inclement Weather

On the first day schools are closed due to inclement weather conditions, all school activities shall be suspended. This rule applies to all games, practices, rehearsals, etc.

Game Postponement/Rescheduling

The Athletic Director shall handle all games postponed because of inclement weather or things beyond our control. Postponed conference games must be played the next available playing date and at the discretion of the home team. If a Saturday date is selected, both teams must agree to play on that date. Once the opponents have been contacted and the contest has been rescheduled, the following shall be notified immediately:

- School Leadership
- Athletic Director
- Booking Agent
- Announcement to athletes and student body, media, police, volunteers, announcer, and Athletic Trainers

Financial Obligations

Participation fee payment and late policies are set forth in the MICS Financial Policy.

Also, all athletes are required to replace lost uniforms or damaged equipment either by payment or with the equivalent of the lost article. Athletes are responsible for clearing all obligations with their coaches before participating or practicing with another sport (good standing).

MICS Raptor Boosters

The MICS Boosters is a parent organization that assists the school, specifically the athletic department in providing the resources necessary to operate and manage our games and events, to help provide a great playing experience for our student athletes and to develop a fun fan atmosphere so students, parents, faculty, and staff enjoy supporting athletics. The process provided in this policy is designed for those individuals who believe that they may have been discriminated against unlawfully, bullied, or harassed in violation of the SCHOOL's Equal Education Opportunities Policy. Individuals who have witnessed or have reliable information that another person has been subject to unlawful discrimination, harassment, or bullying also should report such violations in the manner provided in this policy. Reports may be made anonymously and reports do not need to be made in a particular format or on a particular form. This policy applies to all discrimination, harassment or bullying on the basis of race (including Title VI), disability (including Section 504), nationality, religious affiliation or any other protected class.

This policy does not apply where an individual seeks to assert allegations regarding or related to the identification, evaluation, educational placement, or free appropriate public education of a student under Section 504 or the IDEA, such allegations may be raised through the procedures governing such matters. This Policy also does not apply to Title IX complaints, behavior falling within Title IX or Title VII complaints. Please refer to the SCHOOL's Title IX policies for Title IX and VII matters.

If you have any questions as to what complaint process to use to address your concern, please contact the Executive Director or Title IX Coordinator, who will direct you to the proper process.

A. Reporting by Employees or Other Third Parties

1. Mandatory Reporting by THE SCHOOL Employees

Any employee who witnessed or who has reliable information or reason to believe that an individual may have been discriminated against, harassed, or bullied in violation of THE SCHOOL Non-Title IX Prohibition Against Discrimination, Harassment, and Bullying Policy must report the offense immediately to an appropriate individual designated in subsection B.1., below. An employee who does not promptly report possible discrimination, harassment, or bullying shall be subject to disciplinary action.

2. Reporting by Other Third Parties

All members of the SCHOOL community including students, parents, volunteers, and visitors are also strongly encouraged to report any act that may constitute an incident of discrimination, harassment, or bullying.

3. Anonymous Reporting

Reports of discrimination, harassment, or bullying may be made anonymously, but formal disciplinary action may not be taken solely on the basis of an anonymous report.

4. Investigation of Reports

Reports of discrimination, harassment, or bullying under this policy will be investigated sufficiently to determine whether further action under this policy or otherwise is necessary, and THE SCHOOL officials shall take such action as appropriate under the circumstances. At the option

of the alleged victim, the report may be treated as a complaint by the alleged victim under this policy.

B. Complaints Brought by Alleged Victims of Discrimination, Harassment, or Bullying

1. Filing a Complaint

Any individual who believes that he or she has been discriminated against, harassed, or bullied in violation of the SCHOOL's Non-Title IX Prohibition Against Discrimination, Harassment, and Bullying Policy is strongly encouraged to file a complaint orally or in writing to the following individuals as applicable:

- a. the SCHOOL counselor, teacher, dean of students, principal or assistant principal of the SCHOOL for any claim of discrimination, harassment or bullying, including Title VI complaints;
- d. the Title IX coordinator for claims of sex discrimination or sexual harassment;

- d. any member of the Board if the alleged perpetrator is the Principal.

2. Time Period for Filing a Complaint

A complaint should be filed as soon as possible but no later than 30 days after disclosure or discovery of the facts giving rise to the complaint. Complaints submitted after the 30-day period may be investigated at the discretion of THE SCHOOL officials and outside the formal process described in Section C of this policy; however, individuals should recognize that delays in reporting may significantly impair the ability of THE SCHOOL officials to investigate and respond to such complaints.

3. Informal Resolution

The SCHOOL acknowledges that many complaints may be addressed informally through such methods as conferences or mediation. The SCHOOL encourages the use of informal procedures such as mediation to the extent possible; however, mediation or other informal procedures will not be used to resolve complaints alleging sexual assault or sexual violence or complaints by a student of sexual harassment perpetrated by an employee. Informal procedures may be used only if the parties involved voluntarily agree. Any informal process should be completed within a reasonable period of time, not to exceed 30 days unless special circumstances necessitate more time.

C. Process for Addressing Complaints of Alleged Incidents of Discrimination, Harassment, or Bullying

1. Initiating the Investigation

- a. Whoever receives a complaint of discrimination, harassment, or bullying pursuant to subsection B.1. shall immediately notify the Principal who shall designate an individual to conduct an investigation and respond to the complaint, such individual may be a THE SCHOOL employee or outside consultant.
- b. As applicable, the investigator shall immediately notify the Title IX , or other relevant coordinator of the complaint, and, as appropriate, may designate the coordinator to conduct the investigation.
- c. The investigator shall explain the process of the investigation to the complainant and the alleged perpetrator.
- d. Written documentation of all formal reports and complaints, as well as the SCHOOL system's response, must be maintained in accordance with the SCHOOL's Non-Title IX Prohibition Against Discrimination, Harassment, and Bullying Policy.

e. Failure to report, investigate, and/or address claims of discrimination, harassment, or bullying may result in disciplinary action.

2. Conducting the Investigation

a. The investigator is responsible for determining whether the alleged act(s) constitutes a violation of the Non-Title IX Prohibition Against Discrimination, Harassment, and Bullying Policy. In so doing, the investigator shall impartially, promptly, and thoroughly investigate the complaint. The investigator shall interview (1) the complainant; (2) the alleged perpetrator(s); (3) individuals identified as witnesses by the complainant or alleged perpetrator(s); and (4) any other individuals, including other possible victims, deemed likely to have relevant information. The alleged perpetrator shall be notified of the general nature of the allegations. The investigation will include a review of all evidence presented by the complainant and/or alleged perpetrator.

If the investigator, after receipt of the complaint, an interview with the complainant, and consultation with the board attorney, determines that the allegations submitted, even if factual, do not constitute discrimination, harassment, or bullying as defined in THE SCHOOL'S Non-Title IX Prohibition Against Discrimination, Harassment, and Bullying Policy, the matter will be treated outside the scope of this policy. Information regarding the investigator's determination and the process for addressing the complaint will be provided to the complainant.

b. The complaint and investigation will be kept confidential to the extent possible. Information may be shared only with individuals who need the information in order to investigate and address the complaint appropriately and those with a legal right to access the information. Any requests by the complainant for further confidentiality will be evaluated within the context of the legal responsibilities of the SCHOOL system.

c. The investigator shall review the factual information gathered through the investigation to determine whether, based on a preponderance of the evidence, the alleged conduct constitutes discrimination, harassment, or bullying, giving consideration to all factual information, the context in which the alleged incidents occurred, the age, and maturity of the complainant and alleged perpetrator(s), and any other relevant circumstances.

3. Notice to Complainant and Alleged Perpetrator

a. The investigator shall provide written notification to the complainant of the results of the investigation within 15 days of receiving the complaint, unless additional time is necessary to conduct an impartial, thorough investigation. The investigator shall specify whether the complaint was substantiated and, if so, shall also specify:

- 1) reasonable, timely, age-appropriate, corrective action intended to end the discrimination, harassment, or bullying, and prevent it from recurring;
- 2) as needed, reasonable steps to address the effects of the discrimination, harassment, or bullying on the complainant; and
- 3) as needed, reasonable steps to protect the complainant from retaliation as a result of communicating the complaint.

b. Information regarding specific disciplinary action imposed on the alleged perpetrator(s) will not be given to the complainant unless the information relates directly to the complainant (e.g., an order requiring the perpetrator not to have contact with the complainant).

c. If the investigator determines that the complaint was substantiated, the perpetrator(s) shall be subject to discipline or other corrective steps, as set forth in THE SCHOOL policy. If the corrective steps involve actions outside the scope of the investigator's authority, the Principal or designee will be notified so that responsibility for taking the corrective steps may be delegated to the appropriate individual.

d. The alleged perpetrator will be provided with a written summary of the results of the investigation in regard to whether the complaint was substantiated, whether the alleged perpetrator violated relevant law or THE SCHOOL policies by his or her actions, and what, if any, disciplinary actions or consequences may be imposed upon the perpetrator in accordance with THE SCHOOL policy. The perpetrator may appeal any disciplinary action or consequence in accordance with any THE SCHOOL's policy governing disciplinary action. However, an appeal by the perpetrator of disciplinary action does not preclude THE SCHOOL officials from taking appropriate action to address the discrimination, harassment, or bullying.

4. Appeal

a. If the complainant is dissatisfied with the results of the investigation, he or she may appeal the decision to the Principal. The appeal must be submitted in writing within ten days of receiving the notice of the results of the investigation. The appeal must state with particularity whether the complainant is appealing (1) the investigator's determination of whether the alleged conduct constitutes discrimination, harassment, or bullying in violation of the SCHOOL's Non-Title IX Prohibition Against Discrimination, Harassment, and Bullying Policy, or (2) the SCHOOL's response to any violation, including the appropriateness of any remedial measures taken by the SCHOOL. If the complainant is appealing pursuant to option (2), he or she must state what additional measures the complainant believes should have been taken by the SCHOOL. The Principal or designee may review the documents, conduct any further investigation necessary, or take any other steps the Principal or designee determines to be appropriate in order to respond to the complaint. The Principal or designee shall provide a written response within 10 days after receiving the appeal, unless further investigation is needed. The Principal's decision is final.

b. If the alleged perpetrator is the Principal or the Principal declines to hear the appeal and refers it to the Board of Directors, the complainant may appeal the decision in writing within ten days of receipt directly to the Board of Directors. The appeal must state with particularity whether the complainant is appealing the Principal's decision with regard to (1) the investigator's determination of whether the alleged conduct constitutes discrimination, harassment, or bullying in violation of THE SCHOOL's Non-Title IX Prohibition Against Discrimination, Harassment, and Bullying Policy, or (2) the SCHOOL's response to any violation, including the appropriateness of any remedial measures taken by the SCHOOL. If the complainant is appealing pursuant to option (2), he or she must state what additional measures the complainant believes the SCHOOL should have taken. Upon receipt of the appeal, the Board Chair shall appoint a panel of not less than two members of the Board to hear and decide the appeal. The panel shall make reasonable efforts to meet and consider the appeal within twenty days after the chairperson refers the grievance to the panel. The panel shall review the complaint on the record unless it determines that additional information may be presented. No new evidence, written or verbal, may be presented without the prior knowledge and consent of both parties. At the Board Panel's discretion, they may hold a hearing and ask each party may make a brief oral presentation of no more than twenty minutes to summarize his or her position. The panel has the authority to ask questions, extend time limits, exclude extraneous or duplicative information, and otherwise maintain an efficient and fair appeal hearing. If a hearing is held, it will be recorded and shall be held in closed session. The Board panel may affirm, reverse or modify the decision. The Board panel shall use the preponderance of the evidence standard in reaching its decision. The Board panel will provide a final written decision within twenty days after the Board hearing unless the panel determines that additional time is needed for further review. The decision of the Board panel shall be final.

D. Timeliness of Process

If any THE SCHOOL official charged with investigating the complaint or reviewing the investigation fails at any step in the process to communicate a decision within the specified time limit, the

complainant will be entitled to appeal the complaint to the next step unless the official has notified the complainant of the delay and the reason for the delay. The SCHOOL official shall make reasonable efforts to keep the complainant apprised of progress being made during any period of delay. Delays that interfere with the exercise of any legal rights are not permitted.

Failure by the complainant at any step in the process to appeal to the next step within the specified time or to attend a scheduled meeting or hearing under this policy will be considered acceptance of the results of the investigation and the SCHOOL's response to the complaint, unless the complainant provided notice of the delay and the reason for the delay and the SCHOOL consented in writing to the delay.

E. General Requirements

1. No reprisals or retaliation of any kind will be taken by the Board or by any THE SCHOOL employee against the complainant or other individual on account of his or her filing a complaint or report or participating in an investigation of a complaint or report filed and decided pursuant to this policy. Disciplinary or other action may be taken against the complainant or other individual if the person knew or had reason to believe that the complaint or report was false or knowingly provided false information.
2. All meetings and hearings conducted pursuant to this policy will be private.
3. The complainant may be represented by an advocate, such as an attorney, at any meeting with the SCHOOL under this policy. Should the complainant choose to be represented by an attorney, an attorney for the SCHOOL may also be present.
4. Nothing in this policy shall prevent the Principal or Board from suspending the alleged perpetrator without pay during the course of the investigation or taking any other action deemed appropriate where the alleged perpetrator is an employee.

F. Records

Records will be maintained as required by THE SCHOOL's Non-Title IX Prohibition Against Discrimination, Harassment, and Bullying Policy.
